

## ECHO Camp Scholarship Application

ECHO has limited scholarship funds available for those requiring financial assistance to participate in our camps. ECHO's offers awards between 25%-100% of a camp's registration fee. Awards of 50% are the most common.

Because funds are limited, applicants can request aid for one camp session per child per year. Funds will be dispersed on a first-come, first-served basis. You will be notified of your award within 2 weeks of submitting an application. To apply, please complete this confidential application form and mail it to:
